

About the Service

The College provides five bus services daily (except for Sundays), originating from Diss, Southwold, Aldeburgh, Martlesham and Stowmarket. A shuttle service is available from Framlingham College and its Preparatory School at Brandeston Hall.

All routes use college minibuses, which comply fully with the latest regulations, and are driven by suitably qualified and vetted members of staff. College minibuses carry mobile phones for emergencies or to inform parents of any delays.

Conditions

1. Priority is given to those requiring a full service, but partial use of the service may be available on request.
2. Places on all services are subject to availability.
3. Fees are revised annually and amended in September.
4. Charges are applied in arrears on termly fee invoices.
5. Seats reserved but not used will be charged for in full unless the seat can be reallocated.
6. The service may be cancelled during bad weather if the prevailing road/weather conditions are deemed unsafe.

For further information or to reserve a seat, please contact Stephen Page, Service Co-ordinator on 01728 727241 or via email: SPage@FramCollege.co.uk stating the name of user, pickup point, destination and a contact phone number.
